Public Transport: Bus services which stop at Stanningley Road (A647) outside Armley Park include 14,72,508. The 14 also serves the Gotts Park entrance.

Start: The suggested start and finish points are adjacent to the Car parks.

However you can start anywhere and visit control points. The Maprun courses allow you to start anywhere and the marked start becomes an extra control point to collect You must finish at the same point as you start though.

Map: The map is a specialist Orienteering map at a scale of 1:5000 ie 1cm = 50m with 5m contour interval.

Download your map from the FYW website <https://www.findyourwayvo.org.uk/airienteers/maps>

You can also download the map in the Maprun app by pressing the i button in the event screen
Control Descriptions are on the bottom of the map.

If you are not familiar with Orienteering map symbols there is a legend on the map

Course: There are 19 markers which you can look for in any combination, the are shown on the map. (the second start acts as another marker on Maprun. (The Armley Park start appears as No 19)

Score Collect as many of the 19 controls by whichever route you want within 45 minutes. 20points per control, 10 penalty points per minute over time.

Alternatively we have 3 suggested courses which Start from Armley Park car park. The individual course maps show them best but on the Score course map they are:

Short 1.0km with 10m climb 6 controls Start (19) 8,9,10,13,6,7, Finish (19)

Middle 1.9km with 20m climb 12 controls Start (19) 7,5,4,15,6,13,12,11,10,9,8, Finish (19)

Long 3.1km with 60m climb 16 controls Start (19) 6,13,9,10,11,12,14,16,17,18, Gotts start,1,2,3,4,5,8, Finish (19)

As the Starts are by the car park take care not to activate the start before you are ready to go. If you do no problem just exit and start again.

Also take care not ot go back through the start /finish point before you actually want to finish.
