Event No.
86864

SELOC Urban Trails – Swinton

Name:

Start time:

The value of each checkpoint (control) is the first number x10 i.e. 15 = 10 points, 33 = 30 points etc.

At each numbered checkpoint there is an item of street furniture. If the MapRun app doesn't beep, you can write the number of the item in the box or tell us at the finish and we'll check your track and credit your score.
